3 **FACTS**

4 This arises from a personal injury incident while Plaintiff was shopping at the Target store  
 5 located at 4100 Blue Diamond Road in Las Vegas, Nevada ("the Premises"). On August 30, 2013,  
 6 Plaintiff was purchasing some plastic containers at the cash register when she noticed the items  
 7 she intended to purchase were broken. Due to the length of time Defendant's employees were  
 8 taking to bring new containers to the register, Plaintiff informed the cashier she would go get new  
 9 containers to purchase herself. While Plaintiff was walking towards the isle where the containers  
 10 were located, she slipped and fell on a puddle of clear liquid located on the floor in the area of the  
 11 greeting cards. Plaintiff sustained serious injuries as a result.

12 On September 23, 2016, Defendant filed its Motion for Summary Judgment on the grounds  
 13 that there is insufficient evidence upon which Plaintiff can established a cause of action of  
 14 negligence against Target as a matter of law. Plaintiff's Opposition to Defendant's Motion for  
 15 Summary Judgment is due on October 17, 2016.
